

Samael

In Strict Confidence

Lilith was made to please -
to fulfill a man's needs
She refused to obey -
Satan spit into her clay

Angel screams synchronize
Riot in Paradise
Get the rebel make her pay!
We will not accept her way

Samael -
what have you done?
See that breeding creature
in the desert sun
Underworld's favorite bride
hunts for blood every night
Samael what have you done?

Raging Gods lost control -
couldn't break the rebel's soul
In her exile she does rule
demon's whore - beautiful

Samael - she bears a thousand sons
for your glory - till your kingdom comes

Samael -
what have you done?
See that breeding creature
in the desert sun
Underworld's favorite bride
hunts for blood every night
Samael what have you done?
