

Sharks Live In Water, There's Water In My Toilet. I Rest My Case

In The Eyes Of a Mistress

What a beautiful day
To go out and play on the beach, in the sand, in the sun
We are gonna have so much fun
Swimming in the ocean together, forever
I will never miss you babe
This is the end of our days
OH FUCK, HERE COMES A SHARK
Here comes a shark, swim for your fucking lives
Oh fuck, here comes a shark
A mother fucking shark
