

## Bloodhands (Oh My Fever)

In the Valley Below

Ladies and gentleman  
Please step back, remain calm  
You told me once  
If we were blind  
We would be kind  
The same kind  
You told me once  
If we were blind

We were shaking blood hands  
When we promised  
We were brothers Amen  
We were honest  
Tell me tell me why  
We do it

Oh my fear lay us both down  
Hang my badge on the wound  
You told me once  
To watch the tide  
And we'd be fine

Oh we'd be fine

You told me once  
To watch the tide

Oh My Fever  
Oh My Fever  
Oh My Fever  
Oh My Fever...
