

Memphis Sessions: Stop Draggin' My Heart Around

In the Valley Below

Baby, you come knocking on my front door
Same old lies you used to use before
I say, yeah, well, what am I supposed to do
I didn't know what I was getting into

So you had a little trouble in town
Now you're keeping some demon down
Stop dragging my, stop dragging my
Stop dragging my heart around

It's hard to think about what you wanted
It's hard to think about what you've lost
This doesn't have to be the big get even
This doesn't have to be anything at all

I know you really wanna tell me goodbye
I know you really wanna be wrong, girl

Baby, you could never look me in the eye
Yeah, you buckle with the weight of the world
Stop dragging my, stop dragging my
Stop dragging my heart around

There's people running round loose in the world
Ain't got nothing better to do
They make [?] some bright-eyed kid
Well, you need someone looking after you

I know you really wanna tell me goodbye
I know you really wanna be wrong, girl

Baby, you could never look me in the eye
Yeah, you buckle with the weight of the world
Stop dragging my, stop dragging my
Stop dragging my heart around

Stop dragging my heart around
Stop dragging my heart around
