

Blood We Shed

In Vain

There's a time for reconciliation; and there's a time to shed blood
Now is the time to shed blood

Stupid minds
High aspirations
With unclear vision
To reach new heights
In creative expression
In the name of art

The blood we shed
In artistic creation
Blood we shed
In devotion to art
Blood we shed towards new ambitions
Blood we shed

Alive and vital
As a creative force
With aim for perfection
We say no compromise
In artistic creation
We must [?] (go!)

The blood we shed
In artistic creation
Blood we shed
In devotion to art
Blood we shed towards new ambitions
Blood we shed
Blood we shed

Blood we shed for you
In artistic creation
Blood we shed for you
In devotion to our art
Blood we shed for you
Towards new ambitions
Blood we shed for you
Towards the dream we are leaving on

Blood we shed for you
In artistic creation
Blood we shed for you
In devotion to our art
Blood we shed for you
Towards new ambitions
Blood we shed for you
Towards the dream we are leaving on

The blood we shed
In artistic creation
Blood we shed
In devotion to art
Blood we shed towards new ambitions
Blood we shed
Blood we shed

The blood we shed
In artistic creation
Blood we shed
In devotion to art
Blood we shed towards new ambitions
Blood we shed
Blood we shed
Blood we shed
Blood we shed
