

## Soul Adventurer

In Vain

You search for meaning, search for reason  
The truth that is within you comes alive  
Renewed awareness arising  
Days of substance in reality  
Leave the world of mental abstraction  
And gaze into the depths of your soul  
As a means of solace  
As a means of release

Soul adventurer  
Wanting to go there  
As an inner space traveler  
In an internal trance

Travel inside your own dimensions  
Soul searching in an inner holy space  
Introspective insights  
Open the gates to your soul sanctuary  
Find your purpose, find your reason  
Search for the answers to life's mysteries  
Who are you?  
What's your purpose?  
What's your way to inner peace?

A new dimension of consciousness  
The truth that is real in you  
Comes alive  
To live forever  
Leave behind the world of mental abstraction
