

## To The Core

In Vain

Devastation of the present  
Hunger for self-glorification  
Hail evil and watch it rise  
Mental self-destruction  
To the core

Fruitless deeds of darkness  
Hunger for more  
Burning all bridges  
Havoc and war  
No turning back  
Destruction in mind  
To the core

Pathetic actions  
Ruin and havoc  
Confused and misled by their own rage  
Poisoning their souls  
Source of their own misery  
They gain nothing

Hollow men with hollow words  
Living such a tragedy  
Pulling themselves down the drain  
A fanatical search for damaging stimulus  
Catalysts a negative chain reaction  
A self-destructing life code  
To the core

They gain nothing

Morbid fascination of death  
Seduced and led astray  
Sinking into the deepest void

Deserted man with no ambition  
Weak souls falling apart  
Laying to waste a wealth of talent  
In the end they are losing themselves  
In the end you are losing yourself
