Vet du liker penger, liker lommeboka

I ain't into you
I rely on me, myself and I
Don't care what you do
Certified me, myself and I
Buy my own couture
I rely on me, myself and I
I ain't into you
I-I ain't into you

Comment tu t'appelle, je m'appelle savage

Did your daddy fund that Don Julio Blanco in your hand
It's a trend, Tik Tok
I got a feeling you pretend a lot

I'm a tycoon, you're a bitsy boy
I saw you eyeing up my Ghost Rolls Royce
Think you know me? (Think you know me?)
You don't know me (You don't know me)
Negative vibes 'cause you can't compare
I saw you eyeing up my Goyard, yeah
Nah it ain't free
I bought it for me, myself and I

I ain't into you
I rely on me, myself and I
Don't care what you do
Certified me, myself and I

New night, new man child
Honestly it's getting old now
Monarchy is mine, my crown, you forget
Wannabe kings all lose their head
Comment tu t'appelle, je m'appelle nah ah
The Guccis on your feet are counterfeit
Medici? Me? Mais oui
I'm a Lexus, you're a taxi, so fuck off

I'm a tycoon for a bitsy boy
I saw you eyeing up my Ghost Rolls Royce
Think you know me? (Sharp mind, short hair, sharp liner)
You don't know me (You like my jacket? It's designer)
Negative vibes cause you can't compare
I saw you eyeing up my Goyard, yeah
Nah it ain't free (myself and I)

I don't need nobody but me, myself and I

And you can't beat me, you're the B team, off you go
Whenever you see me cross the street keep your head low
So passé you're in the past tense
Go sit down with all your sad friends, go
No queen, no queen for a peasant

I ain't into you
I rely on me, myself and I
Don't care what you do
Certified me, myself and I
Buy my own couture
I rely on me, myself and I
I ain't into you
