

# From Hollow Sands

## Incantation

Indulged insanity  
Inexorable  
Spawned from sorrow  
Infliction of naivete

From hollow sands  
advocation on lies, reign eternally  
From hollow sands

Indulged insanity, inexorable  
Spawned from sorrow  
Infliction of naivete

Dogma is reinforced  
consuming indoctrination, to weaken  
control thier minds

From hollow sands  
advocation of lies, reings eternally  
from hollow sands

We are your disease  
engulfed in iniquity  
your indoctrinated soul  
let the degradation consume you

we defy your broken prophet  
and decrepit god!
