# Nefarious Warriors

**Incantation**

Rising upon a throne of sacrilegious warriors
Falling archaic one
Loathing your god
From Hell
Falling archaic one
Loathing your god
From your Hell

Crushing all arrogance and animosity

With passion
We descend
Souls rotting
Our true
Paradise awaits

Rising upon a throne of Sacrilegious warriors
Falling archaic one
Loathing your god
From your Hell

Your god
Inflames
Burning souls
Supremacy
