

## Obelisk Reflection

## Incantation

Diminish!  
Hurdling to its core  
Timeless!  
Organic decay holds no sway  
Plummet!  
Crystalline vision, light is obscured  
Union!  
Seasons by seconds align  
Solstice - gnostic and numb  
Equinox - balance brings failure  
Dine on the atomized  
Soulless departure  
Inhale deep the infection, submerge  
To expel this memorial dirge
