

Scapegoat

Incantation

Countless human suffering
Prosecute thee accused
Religious Scapegoat tortured
Rushing to die

Suffocating order
Prevails in the catacomb
All believers suffer by the hand of their own god

Martyrs convert vulnerable
A sign of malevolence
Sent to the gallows, endure
Years of torment

Diabolic tortured
Demand upon eternally
Excommunicate
Realizing their useless faith
Catholic dogma
Eliminated
Lacerations upon their faith

Heresy upon the anguish

Rotting a dying faith
Unless mortal use the church
To perverse and to forsake

Martyrs of christ
Anointed oppression
Sorrow, forsaken lord
Cherishing the church
Mortal, salvation forsaken
