

For the Love of You

Incognito

Somedays, doubts are uninvited
Throwin' shade upon your sun
When you're workin' hard
And your day is through
Tryin' to find your way

Watchin' day turn into night
Drivin' from the light
There is one thing on my mind
(I can't wait to) Just can't wait, baby
(Be with you) Wanna see you babe

It's all so clear
'Cause all I'm livin' for
Is to let my feelings show
They're all for the love of you (It's all so clear)
I wish for nothing more
It's what we want to do
It's all for the love you
Lovin' you always
Even when we fall, we don't break
Always
Till the end of time
It's all so clear
I wish for nothing more
It's what we want to do
I'll always be lovin' you

We become uninspired
And we need to see the light
We need to observe
What we both deserve
Why would we do without it
Sweet baby?

Watchin' day turn into night
Drivin' from the light (When we're drivin' from the lights)
There is one thing on my mind
I can't wait to (Just can't wait, baby)
Be with you (Wanna be there with you now)

It's all so clear
'Cause all I'm livin' for
Is to let my feelings show
They're all for the love of you (It's all so clear)
I wish for nothing more
It's what we want to do
It's all for the love you
Lovin' you always
Even when we fall, we don't break
Always
Till the end of time
It's all so clear
I wish for nothing more
It's what we want to do
I'll always be lovin' you

When I'm lovin'
Doin' it for the love of you
Till the end of time
I'll always be lovin' you
(For the love of you)
And I'll love you till the end of time
Lovin' you always
Lovin' you till the end of time
And I'll love you till the end of time
Lovin' you always
For the love of you
And I'll love you till the end of time
Lovin' you always
