

Keep On Dancing

Incognito

We ain't got time to waste
We ain't gonna be here forever
How long will it take
For you to realize?

We only get one shot
So make it count
Cards on the table
Even if I'm at the back of the line
I know I'll be fine

When I feel high, or I feel low
Baby, I'ma keep on dancing
Turn it up more, stereo
Baby, I'ma keep on dancing
When I feel high, or I feel low
Baby, I'ma keep on dancing
Turn it up more, stereo
Baby, I'ma keep on dancing

I feel good things ahead
I'm like a whole new person
I'm not looking back in the rear
Only moving forward

Only get one shot
So make it count
Cards on the table
Even if I'm at the back of the line
I know I'll be fine

When I feel high, or I feel low
Baby, I'ma keep on dancing
Turn it up more, stereo
Baby, I'ma keep on dancing
When I feel high, or I feel low
Baby, I'ma keep on dancing
Turn it up more, stereo
Baby, I'ma keep on dancing

Baby, I'ma keep on dancing
Baby, I'ma keep on dancing
Baby, I'ma keep on dancing
Baby, I'ma keep on dancing
