

Now That I've Found You

Incognito

I couldn't believe that someone as beautiful as you
Could ever be a part of my world
I couldn't conceive the notion, beyond my imagination
That I would see the sunrise in your eyes

All the waitin' got me achin'
Now that you are here, I'm no longer hesitating
I wanna show you how I feel, what we've have is, oh, so real
Ever since the day you came my way

I was in need of love, in search of something real
I can feel the truth, the tenderness, now that I've found you
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you

Once in a while you're given a path to see you through
A bright and shinin' light on your world
I love when you dial my number, awake me from my slumber
You're the best thing that has happened in my life

All the waitin' got me achin'
Now that you are here, I'm no longer hesitating
I wanna show you how I feel, what we've have is, oh, so real
Ever since the day you came my way

I was in need of love, in search of something real
I can feel the truth, the tenderness, now that I've found you
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you

I was in need of love, in search of something real
I can feel the truth, the tenderness, now that I've found you
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you

I was in need of love, in search of something real
I can feel the truth, the tenderness, now that I've found you
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you

I was in need of love, (Oh, no, no) in search of something real
I can feel the truth, the tenderness, now that I've found you
(Now that I've found you)
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you

I was in need of love, in search of something real
I can feel the truth, the tenderness, now that I've found you
(Now that I've found you, yeah)
I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you
(No longer sends an S.O.S.)

I was in need of love, in search of something real
(I don't need it, baby, I'm in search of something real, ooh, yeah)
I can feel the truth, the tenderness, now that I've found you
(Now that I found you, baby)

I was in need of love, something I could feel
My heart no longer sends an S.O.S. now that I've found you
