

Shine

Incognito

Do what you do
The things that you do
The ways that you get to me
Get to me, yeah

Do what you do
The things that you do
The ways that you get to me
Get to me, yeah

Strum me a chord
Yeah, I'll sing a melody
You have no need to rush
You lay your hands onto me

Strum me a chord
Yeah, I'll sing a melody
You have no need to rush
You lay your hands onto me

Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
Shine, baby, shine

Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
Shine, baby, shine

Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
Shine, baby, shine

Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
Shine, baby, shine

Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
Shine, baby, shine
