

Anna Molly

Incubus

A cloud hangs over this city by the sea,
I watch the ships pass and wonder if she might be,
Out there and sober as a well for loneliness,
Please do persist girl its time we met and made, a mess

I picture your face in the back of my eyes,
A fire in the attic a proof of the prize,
Anna-Molly, Anna-Molly, Anna-Molly...
Doo doo doo doo do doo doo doo doo doo

A cloud hangs over,
And mutes my happiness,
A thousand ships couldn't sail me back from distress,
Wish you were here,
I'm a wounded satellite,
I need you now put me back together make me right

I picture your face in the back of my eyes a fire in the attic
a proof of the prize,
Anna-Molly, Anna-Molly, Anna-Molly
I'm calling your name up into the air
Not one of the others could ever compare!
Anna-Molly, Anna-Molly!

Wait there is a light,
There is a fire illuminated attic,
Fate or something better I could care less,
Just stay with me a while,
Wait there is a light, there is a fire defragmenting the attic,
Fate or something better I could care less,
Just stay with me a while

I picture your face in the back of my eyes a fire in the attic
a proof of the prize,
Anna-Molly, Anna-Molly, Anna-Molly,
I'm calling your name up into the air.
Not one of the others could ever compare!
Anna-Molly, Anna-Molly!
