## **Anna Molly**

Incubus

A cloud hangs over this city by the sea, I watch the ships pass and wonder if she might be, Out there and sober as a well for loneliness, Please do persist girl its time we met and made, a mess I picture your face in the back of my eyes, A fire in the attic a proof of the prize, Anna-Molly, Anna-Molly, Anna-Molly... Doo doo doo doo doo doo doo doo doo A cloud hangs over, And mutes my happiness, A thousand ships couldn't sail me back from distress, Wish you were here, I'm a wounded satellite, I need you now put me back together make me right I picture your face in the back of my eyes a fire in the attic a proof of the prize, Anna-Molly, Anna-Molly, Anna-Molly I'm calling your name up into the air Not one of the others could ever compare! Anna-Molly, Anna-Molly! Wait there is a light, There is a fire illuminated attic, Fate or something better I could care less, Just stay with me a while, Wait there is a light, there is a fire defragmenting the attic, Fate or something better I could care less, Just stay with me a while I picture your face in the back of my eyes a fire in the attic

a proof of the prize, Anna-Molly, Anna-Molly, Anna-Molly, I'm calling your name up into the air. Not one of the others could ever compare! Anna-Molly, Anna-Molly!
