Incubus

On my way home, police car pulled me over After they left, I puttered out of gas Triple-A' came, but my card was expired

I had to walk home and of course It rained half the time I tried to get some shut eye Then I was abducted

They put cold things in my butt They sampled a bit of my D.N.A. They left me on top of my sheets I dreamt I went potty then woke up drenched in me

This day sucked the hardest ever I woke up on the wrong side of the bed today A little bit less than nothing would go my way I got up to toss my soiled sheets

The hallway was dark and I stubbed my big toe It was then that I sensed the irony (Burning me) Then I heard the voice say "Come sail aboard S.S. Nepenthe"

I suppose I'm to blame for getting pulled over I guess I'm the culprit for running out of gas Let's assume I'm the guy who didn't pay his 'Triple-A' fee In actuality, I let the zetas probe me

Yesterday was all my fault I let negativity get the better of me Thank goodness for the bathtubs and suds They temporarily set free this quandary
