

## Consequence

Incubus

Blink and you miss a beat  
Keep one of your eyes open at all times.  
Think that you're on the brink?  
The shit hasn't even begun to hit the fan.  
Consequence you'll see will be stranger  
than a gang of drunken mimes.  
Situation has a stink.  
Better clear the air before  
your son becomes a man.

Blink, everything's been augmented,  
you've been left so far behind.  
I think, for sure, next time  
you should wear a pair of eyes  
in the back of your head.  
Consequence you've seen  
has been stranger than sci-fi of any kind.  
Situation baffles me,  
I guess it's true, you too  
are one of the walking dead.

You better think fast!  
Cause you never know  
what's coming around the bend.  
You better not blink!  
For consequence is a bigger  
word than you think.  
It's bigger than you or me
