Incubus

Look at you with all your shiny
Toys for boys, it's all unnerving
Bold and new but dark and spotty
The toys enjoy the undeserving

Don't ask, don't tell, follow
Don't ask, don't tell, yeah

Fat the world then sink your teeth in
Cannibal and missionary
Toes are curled
My thanks uneven
When tales so tall are ordinary

Don't ask, don't tell, follow
Don't ask, don't tell, yeah
Don't ask, don't tell, follow
Don't ask, don't tell, yeah
