Nowhere Fast

Incubus

Will I ever get to, to where it is that I am going Will I ever follow through with what I... with what I have plan ned I guess it's possible, that I have been a bit distracted And the directions for me are a lot less in demand. In demand. Will I ever get to where I'm going If I do will I know when I'm there If the wind blew me in the right direction. Yeah Would I even care I would. I take a look around, it's evident the scene has changed. And there are times when I feel improved, improved upon the pas t. And there are times when I can't seem to understand at all. And yes it seems as though I'm going nowhere really fucking fas t. Nowhere fast. Will I ever get to where I'm going If I do will I know when Im there If the wind blew me in the right direction. Yeah Would I even care I would. I would. I would. Will I ever get to where I'm going If I do, will I know when I am there If the wind blew me in the right direction. Yeah Would I even care I would. I would. I would. I would. I would.
