Pardon me while i burst

A decade ago  
I never thought I would be  
At twenty three  
On the verge of spontaneous combustion  
Woe-is-me  
But I guess that it comes With the territory  
An ominous landscape of never ending calamity  
I need you to hear  
I need you to see  
That I have had all I can take  
And exploding seems like  
A definite possibility to me

So pardon me while I burst into flames  
I've had enough of the world  
And it's people's mindless games  
So pardon me while I burn  
And rise above the flame  
Pardon me, pardon me  
I'll never be the same

Not two days ago  
I was having a look  
In a book and I saw a picture of a guy fried up above his knees  
I said, "I can relate,"  
Cause' lately I've been thinking of combustication as a welcome  
d vacation from  
The burdens of the planet earth  
Like gravity, hypocrisy, and the perils of being in 3-D  
And thinking so much differently

So pardon me while I burst into flames  
I've had enough of the world  
And it's people's mindless games  
So pardon me while I burn  
And rise above the flame  
Pardon me, pardon me  
I'll never be the same
