

## Pendulous Threads

Incubus

Mend this careless thread, it's gone askew.  
(Thread on my sweater is pendulous, step back and pull it.  
Watch it unravel faster than a speeding bullet)  
Or pull and see how much we can undo.  
(Thread on my sweater is pendulous, step back and pull it.  
Watch it unravel faster than a speeding buller)

On a burning bridge, your options are minimal at best.  
Depending on where you're standing  
and how much breath is in your chest.  
If it came down to it  
would you high-tail home and hide?  
Or dance on fire and enjoy the ride?

Mend this careless thread, it's gone askew.  
(Thread on my sweater is pendulous, step back and pull it.  
Watch it unravel faster than a speeding bullet!)  
Or pull and see how much we can undo.  
(Thread on my sweater is pendulous, step back and pull it.  
Watch it unravel faster than a speeding bullet!)

At the heart of it all  
that innermost, your fiery core  
there;s an amassing armor  
and it's building you into a bore.  
Life's a match in a gas tank  
don't ever mourn the ebbing tide  
just dance on fire and enjoy the ride!

Hey!
