I keep getting attacked by, The girl in the black hat The girl in the black hat I can't find any shade, But I'll be suede as long as I got a switchblade I keep getting the eye from, The girl in the thigh highs The girl in the thigh highs Whose iris is of jade And built to persuade And they're swift like a switchblade Switchblade Switchblade They're swift like a switchblade Switchblade Nobody wears it like you anymore, Nobody wears it like you anymore Light like a feather, Bright like a dying star Cut those together, Girl that is what you are Wild eyes forever, Built to punish and persuade I lied to get her But all I got was a switchblade A Switchblade So just give me the facts, Who's the girl in the black hat The girl in the black hat I can't find any shade, But I'll be suede as long as I got a switchblade I think I'm getting her eyes, On all American thighs Her American thighs. She got her black hat, And irises of jade And I got a switchblade.

Yes, I've got a switchblade

Switchblade

Nobody wears it like you anymore, Nobody wears it like you anymore

Light like a feather, Bright like a dying star

Cut those together, Girl that is what you are

Wild eyes forever, Built to punish and persuade

I lied to get her But all I got was a switchblade

A switchblade

Nobody wears it like you anymore, Nobody wears it like you anymore

I keep getting attacked by, The girl in the black hat The girl in the black hat

I can't find any shade,
But I'll be suede as long as I got a switchblade

Switchblade

Light like a feather, Bright like a dying star

Cut those together,
Girl that is what you are

Wild eyes forever, Built to punish and persuade

I lied to get her But all I got was a switchblade

Yes, I got a switchblade

Light like a feather, Bright like a dying star

Cut those together, Girl that is what you are

Wild eyes forever, Built to punish and persuade

I lied to get her But all I got was a switchblade
