

## Cowards

### Indecision

Selfishness fuels the need to satisfy their greed  
Rape and take this flesh- take them for what they're worth  
Eye for an eye in punishment for their sins- and now I act in d  
efense of the defenseless  
Cowards - human liberation- for the dying civilization-  
Selfishness fuels the need to satisfy their greed-  
animal liberation- for the dying civilization  
cowards lead this genocide  
innocent life objectified  
Unseen they suffer  
unheard they cry  
in loneliness they linger  
in agony they die
