

Those Homophobic

Indecision

i keep stupidity by my side
i've got stupid masculine pride
i use hatred to express fear
there's a reason they're called queer
love as! Some church defines it!
Expressed! As we'd confine it
suffers! the undeserving
don't look for mercy in these eyes
why can't they just do whats right?
its not love that brought them here
there's a reason they're called queer
love is love
