

Good Man

India.Arie

I remember the first day I met you
We were so young
You were a blessing
There was no guessing, you were the one

Love was so crazy
We had a baby and said our vows
That's when you told me
Should anything happen, I can hear you now
You told me if the sun comes up and I'm not home, be strong
If I'm not beside you, do your best to carry on
Tell the kids about me when they're old enough to understand
Tell them that their daddy was a good man

First anniversary
Remember we chose a star
But as I stand under it, I can't help but wonder
If you see it where you are
For whatever reason, we don't see the seasons change again
Go there with peace of mind
We'll meet on the other side
Cause true love don't end, baby

If the sun comes up and you're not home, I'll be strong
If you're not beside me I'll do my best to carry on
I'll tell the kids about you when they're old enough to underst
and
I'll tell them that their daddy was a good man

La La La La La Ohh La La La La La Oh Oh Oooh

Two eyes looking up at me
Pointing to the picture
Like where is he?
Mama are you okay?
What did the paper say to make you cry that way?
It said your daddy lived for you and your daddy died for you
And I'll do the same,
Now baby if the sun comes up and I'm not home, be strong
If I'm not beside you, do your best to carry on
Tell your kids about me when they're old enough to understand
Tell them that your daddy was a good man, a good man
