

Headed In The Right Direction

India.Arie

Headed in the right direction
I can see the light of day
I've got love as my connection
There's an angel showing me the way

Been reaching for love all my life
I couldn't find it always one step behind it
Now I know it was mine all the time finally I am

Headed in the right direction
I can see the light of day
I've got love as my protection
There's no need for me to be afraid

I spend so much time with my head in the clouds
Now that I've got my feet on the ground
I found that I am

Headed in the right direction
I can see the light of day
I've got faith and intuition telling me that I will be okay

Down the path that I walked there was eyes
Somebody told me that I look like I'm glowing
They just dried all the tears from my eyes now I can see that

Headed in the right direction
I can see the light of day
Now I've found my pearl of wisdom
There's no need for me to be afraid

Headed in the right direction
There's an angel showing me the way
I have found my inspiration
Headed in the right direction
