

# A Definite Maybe

Indica

Maybe I'm looking for a muse, someone who's too good to be true  
No fun in being satisfied  
A new fixation everyday, someone to waste the hours away  
And then you fell out of the sky

I love you, I love you not  
I love you, I love you

Not today and not tomorrow  
Nothing blue and nothing borrowed  
Call me sometime or call me crazy  
No, no, yes, yes, take a good guess  
All I got is a definite maybe

I know, I know, know  
Oh, no, oh, no, no  
I know, I know, know

A kiss is like a sugar high and I've been jonsing all my life  
Why would I ever wanna choose?  
Love's like my favorite candy store, keeps me coming back for more  
I never give my heart too soon

I love you, I love you not  
I love you, I love you

Not today and not tomorrow  
Nothing blue and nothing borrowed  
Call me sometime or call me crazy  
No, no, yes, yes, take a good guess  
All I got is a definite maybe

I know, I know, know  
Oh, no, oh, no, no  
I know, I know, know  
Oh, no, oh, no, no  
I know, I know, know

Not today and not tomorrow  
(Not tomorrow)  
Nothing blue and nothing borrowed  
Call me sometime or call me crazy  
(Call me crazy)  
Oh, no, no, yes, yes, take a good guess  
All I got is a definite maybe

I know, I know, know  
Oh, no, oh, no, no

All I got is a definite maybe
