Die/Cry

Indigo De Souza

Do you want me to come by?
I could be there in a day or two
Do you want me to stop in
And tell you you're alright
And tell you you're just fine?

Well, I'd rather die than see you cry
Than see you cry, than see you cry
I'd rather die than see you cry
Than see you cry, than see you cry

Do you see me when you're sleeping?
Do you even shut your eyes at night?
I'm nothing like I was
I'm nothing like the girl you loved
I haven't seen her in months

And I'd rather die than see you cry
Than see you cry, than see you cry
I'd rather die than see you cry
Than see you cry, than see you cry
I'd rather die before you die
Before you die, before you die
I'd rather die before you die
Before you die, before you die

I wanna die before you die
Before you die, before you die
I wanna die before you die
Before you die, before you die
