

EVIL

Indigo De Souza

Sorry, I was just checking it out

You're fucking evil, I fucking hate you
But I want your babies, I wanna date you (Ah!)
And it gets me wet when you say my name
You got me whipped, you got me tame, ah-ah-ahh

Give me a break, give me a break
Give me a-, ah-ah-ahh
Give me a break, give me a break
G-g-give me a- (Ha-ha-ha)

Maybe I'm not smart in the way you like
And you eat my heart out every time (Hmm)
Maybe I'm not bad in the way you crave
Wanna hold you tight, but you want some space

And you get away
With everything, with everything, yeah
You get away
With everything, with everything, oh
Oh
Ah-ahh

Baby, you're so mean, can't get enough
And I know I shouldn't, but I just can't stop
All my friends say you're not the one
So maybe I'm just having fun
Ah-ah-ahh (Just having fun)

Give me a break, give me a break
G-give me a break (Give me a-, give me a-), ah-ah-ahh
Give me a break (Give me a break), give me a break
Give me a-

You get away
With everything, with everything, yeah
(You get away with everything)
You get away
With everything, with everything, oh
Oh
