

Time Back

Indigo De Souza

I feel like I'm leaving myself behind
And I'm so tired of crying
I wanna get back up again
It feels like I'm losing my best friend
But we're gonna love again
On the other side

Don't bleed me dry
We are capsized
And I feel you dying
But I'm safe inside

You're bad
You suck
You fucked me up
I'm sad
I'm tired
I want my time back
You're bad
You suck
You fucked me up
I'm fine
Getting better
Still want to

Please, God, forgive me
I've been speaking death
And when I come home
When I come home
I will begin again
