There's Still My Joy

Indigo Girls

I brought my tree down to the shore The garland and the silver star To find my peace and grieve no more To heal this place inside my heart

On every branch I laid some bread And hungry birds filled up the sky They rang like bells around my head They sang my spirit back to life

One tiny child can change the world
One shining light can show the way
Through all my tears, for what I've lost
There's still my joy
There's still my joy for Christmas day

The snow comes down on empty sand There's tinsel moonlight on the waves My soul was lost but here I am So this must be amazing grace

One tiny child can change the world
One shining light can show the way
Beyond these tears for what I've lost
There's still my joy
There's still my joy for Christmas day
There's still my joy for Christmas day
