

Bye Bye Sonyé

Indila

Bye Bye sony-é, sony-é,
I lose my self control
Bye Bye Sony-é, sony-é,
and now my mind is gone
Bye Bye sony-é, sony-é,
give all my love to you
Bye Bye sony-é, sony-é,
I will go on without you

I've been looking for,
somebody whose,
somebody whose right
I've been looking for
the love of my life
When you think you find someone,
and live on our life
All the world is fallin' down,
there's no one who help you around

Bye Bye sony-é, sony-é,
I lose my self control
Bye Bye Sony-é, sony-é,
and now my mind is gone
Bye Bye sony-é, sony-é,
give all my love to you
Bye Bye sony-é, sony-é,
I will go on without you
