

# Gimme What's Real

Indra

Your eyes never lie  
Boy I can read the news a mile away  
When you fantasize  
You see a girl who looks like me  
You're just afraid of givin' it all away

Gimme what's real  
Whatever you feel  
I can take it  
Gimme what's real  
I know you know the deal

I dare you to care  
Tell me the secrets you been savin' up  
You got love to spare  
I'm gonna feed you what you're cravin'  
Now that I know when you're in love, it shows

I like way you hold me hold me  
When you tell me that you love me, love me  
And everything was lovely, dovey  
'cause I had known for a long time  
The feeling was strong and I had it goin'on  
If passion is the passion i'm stunning  
My passion was flashin'  
Now my heart's got me runnin'  
'cause we can never be that's a no, no  
Before you go, go  
Remember I'm solo

Shadows on the wall  
They don't fool me at all  
Nothing but the truth  
That's all I want from you, boy
