We're gonna make a break, that's what it's for
And you will never hook and I can't take more
You know too how []. break when I'm walking and I'm sleeping
I want to get you, even if you are on week-end
To you to get right, I guess to get wrong
I guarantee to you that I can not take more
You know too how to fade and []. whoops and you're sneaking
And when [] [] [] [] [] [] [] [] [] weeping
And then I go
And then I go

You got what you're looking for Baby gonna tell you goodbye
You got what you're looking for I don't know, no I don't know
Baby gonna tell you what I know
Say me lie
What we lied baby goodbye and

And I walk on, and we stay
And I say ..... ragga
And I woke up upon di sound
With the .....

I got my feelings
You got yours
When we get together
And I make it your side, your side
I got my feelings
You got yours
When we get together
Wanna make it two four time times
Two times three times
Four time
