

I feel ashamed, again and again
Nothing to give, and no one to blame
During the day, I guess I'm okay

At night, I sleep by your side
Waiting for you, to give me a sign
I'm counting the days
And you have nothing to say

Ahhhhhhh I hope I can chill and stay the same
stop the bleed inside and feel again
Cut the chain of lies
You've been feeding my veins
I've got nothing to say to you

I hope I can chill and stay the same
stop the bleed inside and feel again
Cut the chain of lies
I've been beating myself and beating and beating myself

Without nothing to say to you, nothing to say to you
