Infectious Grooves

Hello, Sarsippius here. Ambassador "All-I-Know" original love doctor "Tray-Cheek"
I would like to guide you to the high tones, low tones, mid-range, dbx-range, suckitomi-range
Busting out raw-lack sushi
We're about to clear out all that nasty, sticky, funky, junkie-wax out your ears with some infecto-groovalistical high-bred, high-octane, non-corporate jams past, present and a taste of the future
These jams are hot, hot like Sarsippius' "Can't take them no-not" Funkystein, 'cause it's all about "Comeda-de-nana"

So let's bow, funky junkies:
Turtle wax
