

Are U OK

Infernal

You seek your kick like it's a competition
A competition
A hedonistic hyper-fixation, mmm
It looks like fun but I don't know how you feel when you are done
When you're done
All day, yeah, all day
But are you OK?

Are you OK?
Are you OK?
Are you OK? Mmm
Are you OK?
Are you OK?
Are you OK? (Mmm)

I guess it's fine because you're dancing
Dancing
I guess it's fine because you're dancing

Are you OK?

I'm tryna keep up but there's no prediction
A bad affliction
We're all enchanted, give some, it's magic
Magic
Go at it hard then we pretend it's fine then go back to start
Play that part
All day, it's all day
But are you OK?

Are you OK?
Are you OK?
Are you OK? Mmm
Are you OK?
Are you OK?
Are you OK?

Are you OK?

I guess it's fine because you're dancing
Dancing
I guess it's fine because you're dancing, mmm
