

Because Uhh

Infernal

You tell me not to love you
But boy
All of you make me want to
You tell me not to love you

And I
I only wanna hold you
I only wanna sway
With you

Because uhh
Talk to me, whisper and ah!
You're gonna take me, aha!
Take me where I wanna stay

I'll keep your little secret
But I
Know you cannot keep it
I'll keep your little secret

Your eyes
They tell me that you want me
They say you wanna play
With me

Because uhh
Talk to me, whisper and ah!
You're gonna take me, aha!
Take me where I wanna stay

Because uhh
Talk to me, whisper and ah!
You're gonna take me, aha!
Take me where I wanna stay

ah ah ah ah ah
ah ah ah ah ah

Because uhh
Talk to me, whisper and ah!
You're gonna take me, aha!
Take me where I wanna stay

Because uhh
Talk to me, whisper and ah!
You're gonna take me, aha!
Take me where I wanna stay

Because uhh
