

Deserve It All

Infernal

Better tough than boring
Gimme what you got
I promise I'm a challenge
But I deserve it all
I'm gonna be better
Better than you thought
Oh, we go'n make 'em jealous
Yeah, I deserve it all
I deserve it all
I deserve it all
I deserve it all

Better tough than boring
Gimme what you got
I promise I'm a challenge
But I deserve it all
I'm gonna be better
Better than you thought
Oh, we go'n make 'em jealous
Yeah, I deserve it all
I deserve it all

I'm gonna be better
Better than you thought
Oh, we go'n make 'em jealous
Yeah, I deserve it all
I'm gonna, I'm gonna be
I'm gonna be good
I'm gonna, I'm gonna be
I deserve it all

I deserve it all

I deserve it all
