Don't Play Safe

Infernal

(So can we get down now?)

Ain't got all day
Kickstart the party baby
We don't play safe
Wanna see ya work ya body
Pop that champagne
If you ain't down, get out my way
We don't need safe
So can we get down now?

So can we get down now?

Ain't got all day
Kickstart the party baby
We don't play safe
Wanna see ya work ya body
Pop that champagne
If you ain't down, get out my way
We don't need safe
So can we get down now?

So can we get aye!

If you ain't down, get out my way

Ain't got all day
We don't play safe
Pop that champagne
We don't need safe
