

## Let Go

Infernal

A little bit pretender  
And a liar too  
Still I am a marvel to you  
Even a part that's useless  
I'mma use that too  
I take myself apart, build anew

So watch me  
As I grow beyond this  
Let go  
Once more I'm  
Gonna forge my own key  
You'll see

I wonder if you read me  
As emotional  
I wouldn't be surprised if you do  
'Cause I can doubt myself and hide it  
It's pathetic, sure  
And then I turn courageously pure

So watch me  
As I grow beyond this  
Let go  
Once more I'm  
Gonna forge my own key  
You'll see

Let go

You'll see
