

Loving What I Got

Infernal

I know what I got
I know what you been givin' me
More than a key
I'm loving what I got
Not about what I want
It's what you been givin' me
I need you to see

Loving what I got...

I know what I got
I know what you been givin' me
More than a key
I'm loving what I got
Not about what I want
It's what you been givin' me
I need you to see
Loving what I got

Loving what I got...
