

# Sorry? Not Me!

Infernal

I'm sick of promises  
I don't believe in  
Yeah what I got with you  
It feels forbidden  
Take it for what it is  
I know I'm gonna  
You know how fun this is!  
Don't need more reason

I'm sick of promises  
I don't believe in  
Yeah what I got with you  
It feels forbidden  
Take it for what it is  
I know I'm gonna  
You know how fun this is!

Sorry?  
Not me!  
I'm fine, see  
One of a kind  
Sorry?  
Not me!  
I'm fine, see
