

Everlasting Genocide

Infest

Holiness means execution,
slaughter for a final prayer,
Result of God has failed again,
Christians to Exterminate!!
Lake of blood to rule this world,
anti god machine!!!
Destroy their filthy
plagued faith of 2000 years!!!

Slaughter that comes with attack,
Bloodshed of this time,
Conqueror of new age,
Everlasting genocide!!

Punishment will never come,
God has laid to die!!
Fire burns, and I'm in fire!!!
No one will survive!!!
Blind that trust in Gods divine,
welcome to your homicide,
Your life means nothing to me!!!!

Slave to his will, I'll never be
Your God is dead for all eternity!!!

Blind will suffer to the core
As they wait their God,
Fools don't you know,
It's all a lie!!!
No one will ever hear what you pray
When you cry!
In ashes you will rot when you die!!!

Slaughter that comes with attack,
Bloodshed of this time,
Conqueror of new age,
Everlasting genocide!!
