

Punchline

Infest

They seem to say
Life's a bowl of cherries
Then what am I doing
In the f**king pit
Sentenced to life
Living is death
Wasting away
Hopelessly dealt shit

Life's a joke
That's the punch line
Can't laugh
Holding a dead man's hand
Backed up
Against the bricks
Every effort
A legless stand

DYING!
Before ever finding out
If anyone got off
This dead end street
An inconvenience
Tossed out there
A long shot
Yet another sheep
