

## Screaming from Within

Infest

Deep inside I feel my rage, pushing on and on  
Tired to way clothe of God, tired of belief!  
Chains of faith that keeps me hold,  
soon to be destroyed!  
I'm the one that will kill your God  
My aggression not avoid!!

Possession, obsession, infection!  
I'm falling in desperate, God help me!  
Do you hear all my prayers, you bastard!  
Now you'll bleed as I bled!  
Screaming from within!!!

Bring the master down,  
Let his Throne to Burn!  
Make the endless suffering,  
And cross will never be returned!

Never ending chaos in this life  
full of lies and prayers!  
I've dropped your cross in fire!  
Burned and buried in flames!  
It's not the world you've promised,  
not the world we wait!  
Soldier in the name of God,  
forsaken and betrayed!!

Possession, obsession, infection!  
I'm falling in desperate, God help me!  
Do you hear all my prayers, you bastard!  
Now you'll bleed as I bled!  
Screaming from within!!!
