

## Them

## Infest

Look at you having fun  
and they're out for some 'fun'  
to kick some ass for a laugh  
bring back ignorance from the past  
why do we take their shit!

they dance just a little too 'hard'  
f\*\*king assholes we know who they are  
you'll get beat for no reason  
on your face open season for no reason

brothers in stupidity get away from me!
